

A History of Portsmouth NH in 101 OBJECTS

Hosts Maryellen Burke and
Mary Johanna Brown invite you to

Hey Lady, What's Your Story?

Sharing and collecting stories of female leadership

Calling Portsmouth women of all ages! We are blessed by a lineage of amazing women who built our beloved community. Join us for this lively evening where we'll profile a few women from history and you'll share your own stories of women's leadership for the Portsmouth NH 400 archives.

Was there a time you reluctantly raised your hand to lead and were glad you did? Do you know an emerging female leader you'd like to name? We look forward to seeing you there!
